Paradise is threatened!

Not only by the many entities with conflicting interests, but also by our own impact upon our sailing sites.

Who is R.V.W.A.? - The association consists primarily of windsurfers and kites, like you, who want to give to the sport as freely as they take from it. RVWA is represented by volunteer officers and chairpersons. RVWA is a California non-profit corporation which relies on contributions from and windsurfing and kite boarding enthusiasts like you !!!

We Need Your Support - Our goals for this season are more ambitious than ever. Even if you only visit The Delta infrequently, you are aware that the closure of even one of our sailing sites would adversely impact many other sailing sites in Northern California - including your favorite launch !!!

Together We Can Improve Paradise - Spread the word and encourage others to join RVWA. The stronger our membership, the louder our voice. **Be a part of it - Sign Up Today !!!**

Rio Vista Windsurfing Association would like to thank you for your generous support. Your contribution will help ensure that windsurfers can continue to exercise our privileges as we do now. From the sandbags, information signs, Porta-potties, and beach cleanups at various sailing sites, to our political activity in local and state government - your contribution is hard at work.
